2. ORR Project 46.2317 will be the first in a series of reports to be published on the distribution of post and telecommunications services and facilities in the USSR by economic region. ORR Project 46.2317 will cover economic region X (Kazakhstan and the Central Asian Republics of Kirgiz, Tadzhik, Turkmen, and Uzbek). One of the major objectives of this report will be to relate the distribution of post and telecommunications services and facilities in this region to existing social, economic, and geographic factors.
